

Steps to Net Zero Waste and reuse

glasgowwood.org.uk

Help people develop new skills to recognise and achieve their full potential.

To keep wood in circulation for longer while minimising our own environmental impact.

To be financially responsible and commercially sustainable.

Volunteers are central to our operations

Waste wood collections service
Furniture, misc. pieces, plus a wider spectrum of reclaimed wood

ALL LENGTHS IN THIS
CRATE
£1

Indoor & outdoor stock products
predominantly made from reclaimed
scaffold boards
