A part of and accredited by

Stock Products

From reclaimed timber we build a wide range of indoor and outdoor pieces for use in the home, office, garden and so much more.

Bespoke Projects & Services

We accept bespoke enquiries ranging from one-off storage solutions to much larger projects for corporate and social sector organisations. glasgowwood.org.uk/bespoke and [/projects](http://glasgowwood.org.uk/projects)

Reclaimed Timber

Sourced from other local businesses and wood collections, these stocks are ever-changing. Visit our website to view prices of our regular stock: glasgowwood.org.uk/timber

Other Reclaimed Pieces

We occasionally receive second-hand furniture and various other unusual pieces. Visit our Gumtree profile to see what's available: bit.ly/glasgow-wood-gumtree

Wood Collections

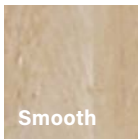

We offer a convenient and affordable alternative to hiring a skip and sending to landfill. All materials are recycled, reused or rehoused by us. glasgowwood.org.uk/wood-collections

Volunteer Opportunities

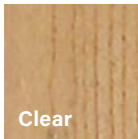

We provide valuable training and volunteer opportunities to locals as a solution for long-term unemployment and social exclusion. glasgowwood.org.uk/volunteering

We finish our products with Osmo, a company using high quality & carefully harvested natural oils and hard waxes to produce low/zero VOC* finishes. **These natural ingredients are better for us, the environment and the wood.**

Smooth

We offer **5 natural finish options**. These include indoor and outdoor options to ensure the most suitable protection possible.

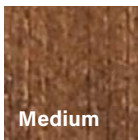

Clear

Smooth is simply sanded, no stain or varnish is applied. Ideal for finishing yourself if desired.

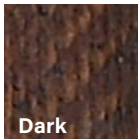

Light

Clear is a single coat of Osmo's clear satin Polyx Oil (indoor use) or clear satin UV Protective Oil (outdoor use).

Medium

Light, medium and dark finishes require Osmo's Natural oil woodstain before a finishing coat of oil for indoor or outdoor use.

Dark

This is a brief guide to how you might expect to receive your chosen product/s. Visit our finishes page to see more examples: glasgowwood.org.uk/our-finishes

*volatile organic compounds

Osmo also have a **wide range of coloured stains** suitable for both **indoor and outdoor use** – perfect for bringing colour into any educational setting.

The swatches below are part of Osmo's standard ranges.

They also have a much wider range of tints and wood stains available.

Raised Bed Planter

Custom raised bed planters for outdoors, made to your exact specification in size and finish.

Anything from 300mm right up to 3000mm in length (or even bigger!), we have the raised bed to suit your space and needs. Choose from raised beds with or without base and feet, along with your choice of finish (including the option to go bright and colourful if you'd prefer!). Whatever the space you're looking to fill we can make the raised bed planter to fit exactly.

Material: reclaimed scaffold boards

Common dimensions (*length x width x height*):

2400 x 500 x 600mm

2000 x 300 x 700mm

1500 x 400 x 500mm

1200 x 300 x 400mm

Visit our online calculator to generate a price based on your dimensions, with or without base and feet. Please contact us if you require lining.

glasgowwood.org.uk/calculators/raised-bed-planters/

Window Box Planter

Our window box planters are great for planting out smaller plants and herbs, and have been designed to sit indoors or outside. Each planter will be completely unique having retained all the character from the reclaimed scaffold boards.

Images show the window box planters with a smooth finish.

Material: reclaimed scaffold boards and pallet slats

Dimensions:

- Small (400 x 180 x 140mm)
- Medium (600 x 180 x 140mm)
- Large (800 x 180 x 140mm)
- X-Large (1000 x 180 x 140mm)

Trough Planter

Our trough planters are perfect for holding a wide range of plants and flowers, making for a great option in adding layers to any outdoor or indoor space. Including the choice to purchase with or without legs, you'll be able to protect against pests while adding some unique character to your space. Choose without to have the flexibility to add at a later date.

Images show the Trough Planter with legs in a smooth finish and the Trough Planter without legs in a clear finish.

Material: reclaimed scaffold boards
Dimensions:

- With legs (900 x 300 x 600mm)
- Without legs (900 x 300 x 220mm)

Seated Planter

Practical raised beds with seating to ease planting, weeding or just enjoying the sun. Available in two sizes, these planters are made from durable recycled timber adding a robust and practical growing environment to your garden, school or community project.

Image shows the Seated Planter with an outdoor medium and smooth finish.

Material: reclaimed scaffold boards

Dimensions:
1200mm (length)
440mm (height)
1000mm (width)

Whisky Barrel Planters

Our ex-whisky barrel planters are all sourced locally from some of Scotland's finest distilleries. Made from solid oak, these casks have a long history of use in distilleries all over the World. Here at Glasgow Wood we're helping to extend the life of this valuable timber by creating vessels to hold all types and sizes of plants, trees, bushes or whatever your heart desires.

Dimensions:

Small (650mm [diameter/Ø] 460mm [height])
Tree Planter (890 [centre diameter] 840mm [top diameter] 900mm [height])

**Please note these are approximate dimensions, every planter varies up to 50mm.*

From **bespoke furniture & storage solutions** right up to **outdoor learning spaces**, we build everything from **reclaimed or sustainably sourced wood**. This means you can guarantee a completely unique and **environmentally friendly solution**.

Customised benches, storage units, planters, raised beds, tables and signage – the list goes on. We have a huge portfolio of bespoke pieces made to a broad range of specifications and budgets.

Most of our solutions are built from reclaimed scaffold boards, but we do also use soft and hard woods to create our bespoke pieces depending on how and where the furniture is intended to be used. We are also able to source steel frames for a wide variety of tables, benches and storage solutions.

We also now have a CNC machine meaning we're able to personalise benches, planters, raised beds and more, anything made from timber basically! Just complete an enquiry form if you're interested in this service.

As an official Osmo stockist we now have a huge range of finishes available. A full sample selection is available to view in the Bay F retail space and they can also be viewed on the Osmo website.

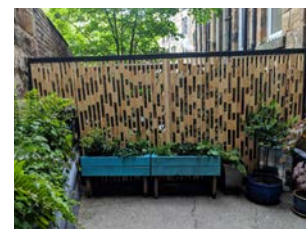

Please note: bespoke orders take anywhere from 3-12 weeks from consultation to delivery, depending on the desired quantity, specifications and the workshop capacity at the time of enquiry.
